REAL ESTATE MARKET.

A very remarkable sale of real estate was had yesterday and was not without amusing feature. It was the auctioning of three parcels of land on Grove Avenue by Green & Redd. The amusing feature was furnished by the dewnpour of rain, which, however, did not deter prospective purchasers, who stood in the shower until well wet in their avidity to purchase property, with the prices of which the sellers, the purchasers and the former owners were well pleased. The auctioneer was the only one of the crowd who had brought an umbreila, and as he stood beneath its sheltering canves and behald the dronched attendants on the sale, taking the rain, he appreciated the amusing phases.

The first lot sold was one 28 by 179 feet, on Grove Avenue, near Meadow Street, which was finally knocked down to Mr. Ablin Netherwood, at \$57.50 per front foot, or a total of \$1,500.

The next parcel consisted of two lots fronting 30 feet on the avenue between Strawberry and Eim Streets. Soth lots were sold to A. C. Bedford, a well-known contractor, at -42.50 per front foot or \$2,550 for the two lots. The sale of three lots brought in the aggregate, \$4,150. The property sold

Stocks Fell in Philadelphia. Stocks Fell in Philadelphia.

PHILADELPHIA, PA., March 14.—
There was a violent break on the Philadelphia stock exchange to-day, following the panic in New York. All though the sales were not heavy, prices crumbled and at the close the market appeared to be in a semi-demoralized condition. Reading led the decline, the price for that stock following the New York figures. United Gas Improvement fell from \$8\$ to \$80 1-2; Electric Storage from 54 to 48 1-2; Lehigh Valley from 63 to 57; Lehigh Navigation from 93 to 80, and others fell from 1 to 3 points. The close was almost at bottom figures. The prices quoted for some stocks are the lowest they have sold in several years. put the ties on this particular curve for the purpose of making a severe test. They got it. No reason could be assigned for the wreck other than the extreme rigidity of the steel tie and the manner in which boits were sheared off in the low temperature. The company declines to take any further changes with an article of equipment that is likely to augment the probability of wrecks. It is said the steel tie may do very well in a temperate climate and on straight roads, but will not meet the case where the mercury in the thermometer gets down below zero.

APPOINTED BY PRESIDENT WASHINGTON, March 14.—The President to-day received the resignation as members of the Istimian Canal Commission of Rear-Admiral N. T. Endicott, Brigadier-General P. C. Haines and D. M. Harrod, to take effect to-morrow. To fill the vacancies, he announced the appointment of Mr. Stevens as chairman of the commission to succeed Mr. Shonts, and as commissioners, Lieutenant-Colonel Goethals, Majors Gatilard and Sibert, Civil Enginer Rosseau, Dr. Gorgas and Jackson Smith. Former Senator Blackburn will have to await the retirement from the commission of Mr. Stevens, which is expected to occur about April 1st, to receive his appointment as a commissioner.

Surplus in 1906 Was \$200,000

Less Than in 1905.

NEW YORK. March 14.—The annual report of the Sloss-Shoffield Steel Company, made public in this city shows that for the year 1906 the gross sales and carnings were \$6,290,014; the operating expenses, taxes, maintenance, etc., \$4,938,268, leaving the net carnings \$1,351,746, from which is deducted fixed charges and depreciation, leaving a surplus of \$1,000,844 against a surplus of \$1,205,079 in 1895.

President Mahen says in the report that the furnaces produced \$1,000 tons less than last year; that the output of coal decreased 90,000 tons, and that of coke 20,000 tons. He ads that the failure to secure cars for shipment of pig iron forced the company to carry over a large tonnage into the present year. As no securities were issued during the past year, he reports, all improvements and additions have been paid for out of earnings or working capital. The working capital is given in the report as \$2,052,114 net.
